**Attachments:** rpthoursdetail.xls; CaseCalendar.xls

Donna:

See attached court time record for all chemistry staff. There are only 3 recorded AD court appearances beyond what we knew previously, but at least it looks like this database has been revised recently. Our IT person was able to produce this report from his data.

Linda

Dina,

I think rpthoursdetail is best but I included caseCalendar because I thought it might interest you as well.

Kip
